

Alternatives Retained for Detailed Study

What DelDOT Heard Last Time and Our Response

January 22, 2007 Public Workshop

- Presented four Western Parkway alternatives (No Build, Orange, Yellow and Green)
- Over 375 attended the workshop
- Presented interchange option at SR 1 and Route 9

What we heard

- Received 300 comment sheets, numerous telephone calls, emails and letters
- Investigate concepts west of Jimtown Road
- Protect Personal Property Rights
- Further investigation on Cultural and Natural Resources

DelDOT has evaluated several suggestions since the Public Workshop

- Developed four (4) new concept alignments west of Jimtown as requested by the community
- Continued field work and developed impact matrix for environmental and natural resources
- Held meetings with communities and residents
